

City of Aliso Viejo Green City Initiative

Workshop No. 10: Land Use & Project Summary

**Where: City Hall
Council Chambers
12 Journey, Suite 100**

**Refreshments provided
When: Thursday, December 1st, 7:00pm**

The Green City Initiative is an effort to implement sustainable living practices into everyday City life, with hopes to increase energy efficiency, reduce energy & water consumption and reduce waste stream flow. Please join us for Workshop No. 10 to discuss Land Use and the Project Summary on Thursday, December 1st, at 7pm.
